

## TOWBALLS

- Part # 02NN 3/4" Shank / 50mm Ball
- Part # 02NO 3/4" Shank / 1-7/8" Ball
- Part # 02NR 7/8" Shank / 50mm Ball
- Part # 02NX 7/8" Shank / 1-7/8" Ball
- Part # 02NZ 1" Shank / 50mm Ball
- Part # 02NY 1" Shank / 1-7/8" Ball

All Best Bars Towballs are Zinc plated for superior rust protection.

## TOWBALL COVERS

- Part # 02MU 50mm & 1/78" Towballs
- Part # 02M0 1-7/8" Towballs

Finish off your towbar with a chrome plated plastic towball cover.

## QUICK RELEASE SAFETY CHAIN MOUNT

- Part # 031M Safety Chain Mount

No more nasty U-Bolts or shackles. Simply lift the pin to remove the safety chain. Stainless Steel Construction.

## BUMPER PROTECTOR

- Part # 02PH Black Bumper Protector

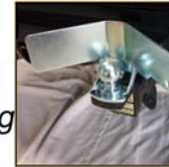

Made from steel and pretreated and painted in a black finish. Securely locates under towball. Helps protect your rear bumper from over running the towball when connecting a trailer.

## COUPLE MATE

- Part # 02TM Couple Mate Trailer Guide

"Couple Mate" trailer hitch guides are made from Heavy Duty galvanised steel and are designed with safety in mind. Whilst attaching your trailer the V section protects your rear bumper from your trailer coupling and also acts as a guide to center the coupling over your towball. Once your trailer is connected simply remove the V section and place in a verticle position.

## QUIET MOUNT

- Part # 02R6 Quiet Mount

Reduces ball rattle, stabilizes hitch mounted bike carriers and accessories.

## TITAN HITCH LOCKING PIN

- Part # T3 Locking Hitch Pin

Never loose your Titan Hitch tongue again. This locable system will deture thieves in a heart beat.

## SNATCH HOOK

- Part # 6HE0T

Ideal for the 4WD enthusiast. Fits into a 2" Titan Hitch receiver to provide a positive point for vehicle recovery.

## LOAD LEVELLER KITS

- Part # 1750 'A' Frame Draw Bar
- Part # 1730 Straight Draw Bar

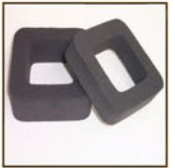

Load levellers attach to your towbar and trailer system to reduce the sag of your vehicles rear when the trailer is attached.

## ANTI RATTLE FOAM PADS

- Part # 02KP 18mm Thick
- Part # 02KN 30mm Thick

Foam pads aid in redcution of rattle by compressing between your Titan Hitch tongue and towbar.

## ANTI RATTLE TITAN HITCH LOCKING PIN

- Part # 02G45 Anti Rattle Locking Pin

This "Anti Rattle" locking pin will reduce the rattle associated with square Titan Hitch receiver style towbars. It also acts as a deturant for theives.

## WIRING ADAPTORS

- Part # H13R7F 13 pin round to 7 pin flat
- Part # 82235BL 7 pin round to 7 pin flat
- Part # 82245BL 7 pin flat to 7 pin round

Convert the plug on your vehicle to another style so it matches the trailer you are towing.
